Mother WIT
\$20 Special Gift Package for Mom!

Driving for Mother Wit

Every good mother has had a hand in this book. There were so many things in this book that I could identify with, it was so inspirational!

Ann C. Young, Behind the Wheel, Delta Center

"Mother Wit: Wisdom for life's journey" is a blessing. The content is full of rich information that has been passed on through generations. I found myself recalling my childhood and the wonderful memories of my Mother.

Jack Evans, Founder of Young in Windows, LLC

Ever need a quick pick me up in the stress of practical wisdom? A taste of Mother Wit and a good cup of coffee help make my day a little more tranquil!

Heidi Blinn, Author, How I Making the Making Your Own Mother!

Preserve the wisdom from your mother's life to pass on to future generations.

Stories from Our Readers:

I gave my wife a copy of this book on Sunday and the following Monday she was diagnosed with terminal cancer. Her biggest worry was all the things she wanted our daughter to know. She stayed up most of the night writing into the journal section of Mother Wit and now we all have a part of her with us.

I am a sales rep and I keep the book in my car to pump myself up right before I walk in to see clients!

I gave the book to my wife as a gift and she wrote things that I never knew about her after all these years of marriage.

I recently lost my mother and the book helped to comfort me by remembering things she always said when we were growing up. When things get tough, I can quickly find a quote that reminds me that God is still in control!

A METROPOLITAN TRAINING ALLIANCE PROGRAM

Preparing Today's Work Force for Tomorrow's Green Jobs

info@eetpall.com

Our Programs

Enrollment considerations:

1. Prior to acceptance in MTA programs, you must have documentation for successful completion of either 1) the Industry Certification Program, or 2) industry experience.
2. All classes held at the MBT Center, 6347 Plymouth, STL 63133, unless otherwise noted.
3. Open Enrollment and Orientation: Tuesdays (9:45am) and Wednesdays (12:45pm). For more information, contact Johnathan Bolden: 314.746.0886.

Industry Certification Program/ICP: 4 weeks/\$2,500

Certification Program

Learn the tools of manufacturing and energy trades. Traditional classroom sessions are combined with and lab exercises using state-of-the-art equipment and software. To certify, participants will demonstrate competencies in the following areas:

- Applied math
- Basic computer skills
- Blueprint reading
- Forklift material handling
- Locating information
- Precision measuring
